

GEEDEY CAPITAL

RISK WARNING

Geedey Capital Limited

2018.1

Before you start trading Forex with Geedey, you should read our full disclaimer and risk warning. There is a certain degree of risk associated with Forex trading and you should be fully aware of it before you begin trading.

This website should not be considered as a solicitation or offer to conduct investment business as defined by The Financial Services and Markets Act 2000, in any jurisdiction other than the United Kingdom. Investors residing in or enjoying citizenship of countries other than the United Kingdom may be subject to local regulations or laws. Investors residing outside the United Kingdom should therefore make sure that they do not infringe local financial regulations before using this service. They may only proceed once they have ascertained that doing so will not result in such a violation. Repeated access to the site will be regarded as confirmation that this is not the case in your own local jurisdiction.

The information contained on this website does not constitute an offer to buy or sell currencies. More particularly, it does not constitute a solicitation or offer to buy or sell any currencies or products referred to on this site, by any person residing in a jurisdiction where such solicitation or offer would be unlawful or where the person making such solicitation or offer is not qualified or legally capacitated to do.

Investors should be aware that as prices may rise, they may also fall and the resulting income can thus go down as well as up. When buying or selling any investment whose price or value is subject to volatility and fluctuations, you may lose what you have invested and more. Note that past performance does not necessarily reflect future performance. The services and investments referred to on this website may not be suitable for all investors and before trading, you should seek independent advice from your qualified financial adviser.

Spot foreign exchange (Forex or FX), Spot Gold and Silver are volatile instruments and in certain circumstances you may lose your initial investment. Spot foreign exchange (Forex or FX), Spot Gold and Silver are not always suitable for everyone and you should consult your financial adviser before trading.
